

Department of Spanish

Attention Student: *You must have completed the first two semesters, or the equivalent, of the language in which you are testing.* The Department of Spanish must receive a copy of your transcript showing a passing grade for both courses prior to registering you for the translation exam. You may do this in person by dropping off a copy of your transcript at our office, room 101 in the Language Building, or by email to Michelle Borsch at Michelle.Borsch@unt.edu. An unofficial copy of your transcript is acceptable, but a copied and pasted Word document is not sufficient.
